

UTILITY TOKENS TERMS

1. Purpose and Use of utility tokens at PR.network Services offered by PR.network LLC.

Description of the Company:

PR.network LLC is a company developing decentralized media, economy and governance solutions using Stellar - an open network for money. The company is based at 3333 Preston Road STE 300 #1110, Frisco, TX 75034, USA

Description of Utility Tokens:

VALUE "XPR", PR Points "PRPOINTS", Anonymous Vote "GHOSTVOTE", Blank Card "BLANKCARD", Blank Vote "BLANKVOTE", and Card Tokens "COMMUNITY TOKENS" are the Utility Tokens.

Ownership of the utility tokens carries no rights, express or implied, other than the access to the Services and/or use cases they provide. In particular, you understand and accept that utility tokens do not represent or confer any ownership right, subject to limitations and conditions in these Terms and applicable Terms and Policies. All utility tokens are NOT intended to be a security, commodity or any other kind of financial instrument.

VALUE

Ticker: XPR (the "VALUE" or "XPR") is the main utility token of PR.network intended to function as a mean of access the PR.network services and technology (the "Services"). It is a utility token with the three use cases:

- a) Validation of transactions
- b) Proof-Of-Burn for community tokens
- c) Mean of Incentivization

VALUE Supply

The company created 100 million of VALUE XPR. 50 million of VALUE is released to voters of PR.network platform as Proof-Of-Work. Remaining 50 million is distributed to founders, contractors and employees to support the development of the community, the platform as well as to provide security to the entire ecosystem. XPR has a yearly inflation rate governed by the community members possessing 12,000 XPR or more. Initial 2% yearly inflation is subject to change by the community.

VALUE Pricing: Nominal price \$0.12

PR Points

Ticker: PRPOINTS (the "POINTS" or "PR") is intended to function as a mean to provide its holder with the extended number of regular votes at PR.network services.

PR Points Supply: The company creates and destroys PRPOINTS considering demand signals. PRPOINTS are burned immediately after being used as regular votes.

PR Points Pricing: 1 XPR or current market price, whichever is greater.

Ghost Vote

Ticker: GHOSTVOTE (the “GHOST” or “Anonymous vote”) is intended to function as a mean to provide its holder with the extended number of anonymous votes at PR.network services.

Supply: The company creates and destroys GHOSTVOTES considering demand signals. GHOSTVOTE is burned immediately after being used as an anonymous vote.

Pricing: 1 XPR or current market price, whichever is greater.

Blank Card

Ticker: BLANKCARD is intended to function as a mean to provide its holder with the extended number of Blank Cards at PR.network services.

Supply: The company creates and destroys BLANKCARD considering demand signals. BLANKCARD is burned immediately after being used as a blank card.

Pricing: 1 XPR or current market price, whichever is greater.

Blank Vote

Ticker: BLANKVOTE is intended to function as a mean to provide its holder with the extended number of Blank Votes at PR.network services.

Supply: The company creates and destroys BLANKVOTE considering demand signals. BLANKVOTE is burned immediately after being used as a blank vote.

Pricing: 1 XPR or current market price, whichever is greater.

Community tokens

Community Tokens (the “NFTs” or “CARD’S TOKENS”) are intended to function as a Proof-Of-Stake for cards they represent.

Supply: The company does not create or manage COMMUNITY TOKENS. The creation is initiated and managed by the PR.network community. Each community token has a capped supply of 100 tokens.

Pricing: Nominal price 1 XPR

2. Refunds a cancellation.

PR.network LLC does not sell XPR and COMMUNITY TOKENS. These utility tokens are only offered on the decentralized market place by the individuals and/or organizations possessing them, that are not associated with PR.network LLC.

PR.network LLC only sells: PRPOINTS, GHOSTVOTE, BLANKCARD and BLANKVOTE utility tokens

Every purchase of utility tokens is final, and there is no refund or cancellation possible. PR.network LLC have right and authority to refuse or cancel utility token sale at any time.
